

Mabee/Redmer Ancestry

This genealogy collection, donated by Wilfred H. Mabee in May, 2018, consists of a card file and two charts. Each card in the alphabetical file lists last name, first name, mother, father, birth, marriage, death, and cemetery for each individual. In the upper right corner of each card is a number in either a box or a circle. If a box, the number corresponds to the individual with that number on the Mabee chart. If a circle, the number corresponds to the individual with that number on the Redmer chart. On the reverse of each card are the sources of the information.

Both the card file and the charts are located in an archival manuscript box, located in the GSNJ section of BB.
