

Genealogical Society of New Jersey General Collection

The Genealogical Society of New Jersey

This manuscript collection is housed at [Special Collections and University Archives](#), Alexander Library, 169 College Avenue, Rutgers University, New Brunswick, NJ.

Records: Miscellaneous family notes, compilations, and correspondence regarding primarily New Jersey families.

Within the table, subtitles refer to the source or additional information and are presented in a smaller font. Some GSNJ collections are named after the person who performed the work and the collection involves many surnames. While others contain information on a primary surname only and so are named accordingly.
