

## GSNJ Bible and Family Records Collection Index | [www.gsnj.org](http://www.gsnj.org)

For more than 75 years GSNJ has been processing; collecting; and indexing family Bible records; other family records; and research and notations submitted by researchers. (Note that where other family names appear in the record the cross-referenced names are included in brackets. Note that not all entries have been cross referenced.) The collection continues to grow and contains more than 6100 records; primarily pre-1850; and arranged in accession order. If you would like to contribute a copy of a family record to the collection please see [www.gsnj.org/bible-records-index](http://www.gsnj.org/bible-records-index)
